Hello. I am a new prosecutor in the Narcotics Unit in the Das office. I have a case, Comm v [REDACTED]  
Several samples were analyzed by your office and you, along with two other chemists Annie Dookhan and Stacey Desjardins did the work. The cert numbers are [REDACTED]  
[REDACTED] I need a copy of the chemist packet for discovery . In addition while my files here have a copy of your cv I cannot find one for the other two chemists nor can I locate them on the email system. I would appreciate if you would share this request with them. I would appreciate it if you could get the materials to me by July 22nd, if possible. Thank you.
